DOCKET 93-22

o ENFORCEMENT

It would be impractical and inappropriate for the Commission to impose proactive enforcement responsibilities on Carriers.

o REFUNDS/ADJUSTMENTS

Carriers should not be required to automatically provide refunds/adjustments to all callers who access a program found not to be in compliance with FCC Rules.

o DISCLOSURE OF INFORMATION

The modification of telephone bills to include detailed information regarding vendors or customer rights would be unnecessary and extremely costly.

o INVOLUNTARY BLOCKING

Carriers must be allowed to utilize involuntary blocking as a means of protection against callers who have a pattern of repeated abuse of pay-per-call services.

o TELEPHONE CALLING CARD/PRESUBSCRIPTION

For purposes of the proposed Rules, telephone calling cards should be considered the same as credit/charge cards.
